ACCESSIBILITY STATEMENT

PagoPA S.p.A. — DRAFTED ON JULY 02, 2026

PagoPA S.p.A. is committed to making its website accessible, in accordance with Legislative Decree 10 August 2018, n. 106, which transposed Directive (EU) 2016/2102 of the European Parliament and of the Council.

Website

- Name: Knodia (public website)
- URL: https://knodia.org
- Reference technical specifications used: WCAG 2.1

Section 1 - Content in Compliance with EU Implementing Decision 2018/1523

- Compliance Status: Partially compliant
- Non-compliance with Law 4/2004: Yes

Non-compliant Sections, Content, and Functions

The Company has conducted an initial cycle of internal technical checks using open-source automatic validation tools (specifically, Google Lighthouse). Please note that these tests represent a preliminary analysis and do not replace a full and thorough manual audit. Consequently, the list of non-compliance criteria reported below includes only the evidence detected by this first automated activity and the critical issues already known internally, which are being actively worked on from a continuous improvement perspective:

- **WCAG 2.1 Criteria - 1.4.3 Contrast (Minimum), 1.4.11 Non-text Contrast**: Background and foreground colors do not have a sufficient contrast ratio.
- **Downloadable PDFs**: The compatibility of downloadable attached PDFs has not been verified.

Additional Information

- Disproportionate Burden: No
- Content outside the scope of applicable legislation: No
- Accessible Alternatives: Not present

Method Used to Draft the Accessibility Statement

- Method: Self-assessment carried out by the entity
- Was the analysis carried out using the AgID self-assessment model? No

Feedback and Contact Information

The user can notify the service provider of any cases of non-compliance with accessibility requirements, or request information and content that have been excluded from the scope of application of the directive.

The feedback mechanism can be accessed through all communication channels made available by the Service Provider. For specific reports related to the Infrastructure, users can refer to the dedicated assistance web page.

Contact Email

The mailbox interop-assistenza-accessibilita@pagopa.it has been created, to which all internal and external reports regarding accessibility can be addressed.
